DIFFERENT

★ FIVE THIRTEEN FREE

Verse 1

B (slide) C#m
Another day another dollar
Another want that's not a need
You say you live for freedom
But are you really free?

Your sin and your dark secrets
You keep it all inside
Pretend that no one's looking
To protect your house of lies

--

Chorus

E C#m B
He called us all to be different
E C#m B
Than everything we see
E C#m B
We were made to make a difference
A B C#m
Together

--

Verse 2

Why do you keep giving money
To institutions filled with greed
I think the call is pretty simple
Just help your brother in need

You call yourself a Christian
Then how do you sleep
With people cryin, dying, starving, beggin'
Living all alone with no hope in the streets

--

Bridge

A B C#m
Small is the gate, and narrow is the way
A B C#m
If you conform then your soul is the price you pay
A B C#m
So let go of your American dream
F#m B
Because it's only a dream
